**Celebrating 16 years
as Montana's Premier
Career and Technical
Student Organization**

**Preparing
The Next Generation
of Montana's
Healthcare Workforce**

- Healthcare personal income grew by over \$131 million from 2017- 2018 in Montana.
- Healthcare contributed over \$4.5 billion total to the Montana economy in 2018.
- Approximately 1/5th or 20% of the Montana workforce is expected to retire over the next ten years.

U.S Bureau of Economic Analysis; MT Dept. of Labor & Industry Laborforce Projections 2019

**Fostering
Montana's
Youth**

**Securing
Montana's
Future**
